Department of Civil Aviation welcomes inaugural Mozambique Airlines flight

On behalf of HH Sheikh Ahmed bin Saeed Al Maktoum, President of the Department of Civil Aviation and Chairman of Emirates, Mr Mohammad Al Tayer, Director Public Relations, the Department of Civil Aviation today welcomed the first Mozambique Airlines flight from Maputo. On board were high ranking officials, business executives, media personnel and the National Folk Assemble which gave a live performance upon landing at Dubai International Airport.

Mozambique Airlines is one of the ten new airlines to begin operation to and from Dubai International Airport. Mozambique Airlines will at present operate one flight per week. Nearly 100 airlines connecting to over 140 destinations now operate out of Dubai International Airport.

HH Sheikh Ahmed commented: "The Department of Civil Aviation welcomes Mozambique Airlines. Dubai has actively pursued the open skies policy and offers very high standards of service and facilities. As a result, today Dubai is the aviation hub of the region. With the opening of the Sheikh Rashid Terminal, we have set new standards in the aviation industry and aim to attract many more airlines."
